Dear Campers, Parents, and Care Providers,

I'm going to change this year's letter up a bit and utilize bullet points to facilitate noting the changes (and the things that have stayed the same) for 2018. A little impersonal but hopefully effective. Please read the information below carefully to insure your camper's prompt acceptance for this summer's program.

- ✓ Fee for this summer is \$200/week (\$300 for non-residents)
- ✓ Living Life with Autism Camperships **are not** available this summer.
- ✓ The fee form must be completely filled out and returned with the application...no exceptions.
- ✓ Authorizations must also accompany the fee form when applicable.
- ✓ This year there is a waiver form that also needs to be returned with your application. This is required by our new insurance carrier.
- ✓ We are closed the week of July 4th.
- ✓ Age groups have been adjusted. Please sign up accordingly.
- ✓ There are two weeks that Andrea and I are using for hand scheduling/special programming. Please do not select either of these weeks.
- ✓ Physical forms and medication information forms **do not** need to accompany applications but must be returned before admittance to camp. These forms may be brought to camp at check-in or mailed separately. If mailing separately, please use the address on the bottom of the physical form.
- ✓ An early reminder regarding packaging medications...**everyone** must prepackage medications by dose. Envelope must include campers first and last name, day, date, and time medication/s is to be given, and the number of pills in the envelope. Small coin envelopes work great for this. Bubble-packs are also acceptable provided the information is complete and legible. Campers arriving without their medications prepackaged **will not** be admitted to camp. This has been an issue in the past and will be strictly enforced this summer.
- ✓ T-shirts should be paid for with a separate check made out to Camp Evergreen...do not include with camp fee.
- ✓ Applications are due March 15<sup>th</sup>.

Please call with any questions you may have. We are looking forward to seeing you this summer!

Sincerely,

Mark
