

February 8, 2019

Dear Campers, Parents, and Care Providers,

I would guess we're all thinking about summer with the weather we've been experiencing lately. Summer is definitely on our minds at Camp Evergreen and preparations for our summer season are well underway. I think you'll be pleased with some of the building projects we've completed over the winter months. I'm sticking with the bulleted list I used last year...it's a quick and efficient way to let you know what you need to know. Please read the information below carefully to ensure your camper's prompt acceptance for this summer's program.

- ✓ Fees for this summer are \$225/week (\$325 for non-residents).
- ✓ Living Life with Autism Camperships **are not** available this summer.
- ✓ **The fee form must be completely filled out and returned with the application...no exceptions.**
- ✓ Authorizations must also accompany the fee form (or be avai when applicable).
- ✓ The waiver form needs to be returned with your application. This is required by our new insurance carrier.
- ✓ We are closed the week of July 4th.
- ✓ Age groups have been adjusted. Please sign up accordingly.
- ✓ There are two weeks that Andrea and I are using for hand scheduling/special programming. Please do not select either of these weeks.
- ✓ Physical forms and medication information forms **do not** need to accompany applications but must be returned before admittance to camp. These forms may be brought to camp at check-in or mailed separately. If mailing separately, please use the address on the bottom of the physical form.
- ✓ An early reminder regarding packaging medications...**everyone** must prepackage medications by dose. Envelope must include campers first and last name, day, date, and time medication/s is to be given, and the number of pills in the envelope. Small coin envelopes work great for this. Bubble-packs are also acceptable provided the information is complete and legible. Campers arriving without their medications prepackaged **will not** be admitted to camp. This has been an issue in the past and will be strictly enforced this summer.
- ✓ T-shirt(s) should be paid for with a separate check. Please do not add the cost of the t-shirt to your camp fee. Thank you!
- ✓ Applications are due March 15th.
- ✓ Please follow us on FaceBook if you have not already done so.
- ✓ Our Website is under construction but is accessible. Updates should be completed soon.

Please call with any questions you may have. We are looking forward to seeing you this summer!
